

International Shipping Instructions

For Return Authorizations:

1. Contact Rick's Customer Support for an RA number.
2. Reference RA# on box
3. International customers must follow shipping instructions below.

For Rebuilds:

1. A copy of the Rebuild form must be completed and placed inside the box.
 - a. *If unable to print forms, the following information should be neatly written on paper and placed inside of box:*
 - Name, Address, Phone & Email.
 - Year Make Model of Machine
 - Part being shipped, Issue / problem with machine.
2. Fill out the attached Commercial invoice, with part description (i.e. Stator), qty, and an "as is" value for customs, or a value for insurance purposes, if part is not replaceable.
3. Verify HTS code 9801.00.10 is in the HTS column of commercial Invoice.

NOTE: If this code is not used, the shipment will be rejected. Rick's will not be responsible for Duties and Taxes upon import, if shipped incorrectly.
4. Print 3 copies of Commercial Invoice, fold invoices in half so *ship to, address,* and line item with HTS code is showing. HTS code must be visible to receiver or box will be rejected.
 - a. *If unable to print invoices, all the information should be copied and applied to your document used for shipping purposes. If UPS or shipping location creates an invoice, verify the correct HTS code (9801.00.10) is used for duty free entry.*
